SHINGAI, HIROYUKI ET AL

Serial No.: 09/313,266

Filed: May 18, 1999

Docket: C32-113919M/

Title: FAN MOTOR AND HEAT SINK BUILT-IN  
TYPE FAN MOTOR

Withdrawal Holding of  
Abandonment

Art Unit 3743

This is a decision on petitioner's petition to withdraw the holding of abandonment filed on Mar. 17, 2006. Petitioner also included supporting declarations showing the non-receipt of the Notice of Allowance mailed Feb. 21, 2002.

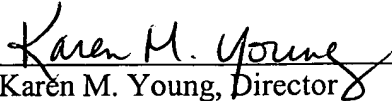

In support of the request, petitioner stated that the Notice of Allowance of Feb. 21, 2002 was never received at the correspondence address of record. The petition also included declaration by Mary C. Gibb, Docketing Manager, stated that a search and review of the file and docket records for such non-received Office action was made as shown by the attached exhibits with the petition.

A review of the file indicates that the Notice of Allowance of Feb. 21, 2002 and Notice of Abandonment mailed July 2, 2002 were sent to an incorrect address. The record also shows that U.S. Post Office returned at least two pieces, namely, Corrected Filing Receipt and Notice of Abandonment.

In view of the above, the Notice of Abandonment mailed July 2, 2002 is hereby vacated. The holding of abandonment is withdrawn. A new Notice of Allowance will be mailed in due course.

The application is being forwarded to the Supervisory Patent Examiner of Art Unit 3743 for further process. Should petitioner have any further questions, he is invited to contact Henry Yuen, TC 3700 SPRE, at 571-272-4856.

Summary: Holding of Abandonment Withdrawn.
